**ST. GEORGE ANNIVERSARY** — February marks the ninth anniversary of witness and service at St. George's Orthodox Church in Pharr. The church will celebrate this momentous occasion on Sunday, Feb. 7 with a dinner and special displays (a pictorial history and a chronology of when our present families came to the church). The first service at St. George was held on Feb. 9, 1979, when Bishop Dimitri served Vespers at the Catholic Student Center in Edinburg. Since that time, the congregation has met at locations including Our Savior Lutheran Church in McAllen and Valley Garden Center, before moving fulltime into their current location at 704 W. Sam Houston on Palm Sunday in 1982.
